Re: Settlement Letter in Lieu of Formal Disciplinary Action
Complaint No.: 43833

Dear Dr. Kammerman:

This letter is to advise you that the New Jersey State Board of Dentistry (the "Board") has had an opportunity to complete its review of information concerning the above captioned complaint. The information reviewed includes:

1. The complaint(s) alleging that individuals in your office were performing tasks which require a license to perform in the state of New Jersey;
2. Your response to the complaints;
3. Transcripts of your appearance before the Board on September 17, 2008;
4. The testimony of employees and former employees of "Kamy Dental."

Based upon its review of this matter, it appears to the Board that you permitted a registered dental hygienist to administer nitrous oxide analgesia to patients without a dentist providing direct supervision of the hygienist, which provides a basis for discipline pursuant to N.J.A.C.13:30-1A.2(h).

These acts may be sufficient to initiate the filing of formal disciplinary proceedings. However, the Board has determined that it will first offer you an opportunity to settle this matter, through your agreement to the following:

1. Payment of a penalty of \$4,000.00
2. Make assurance that you will ensure that each of the dental auxiliaries employed by you at each practice location you own or manage are complying with the statutes and regulations governing the practice of dentistry in the State of New Jersey.

22DI01628900 - Dr. Peter Kamerman

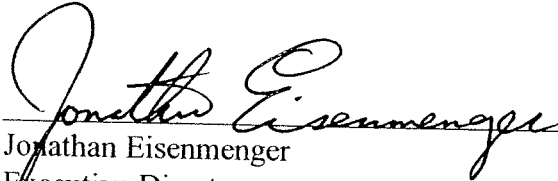

3. Submit a current copy of your office manual which delineates the duties of your employees, including dentists, hygienists and office staff.

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office. The penalty may be paid by check or money order made payable to "State of New Jersey" - Board of Dentistry" and should be submitted to the Board office. You should be advised that upon receipt of your signed acknowledgment, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of an appropriate enforcement action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted, the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil penalties in an amount greater than those offered in settlement here, should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to reimburse certain monies and/or requiring you to pay the additional costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General Nancy Costello Miller, who may be reached at (973) 648-2500

If you elect to settle this matter, you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney general's Office for the initiation of appropriate enforcement proceedings

Yours very truly,
NEW JERSEY STATE BOARD OF DENTISTRY.

Jonathan Eisenmenger
Executive Director

cc: Nancy Costello Miller, Deputy Attorney General

ACKNOWLEDGMENT: I, Dr. Peter Kammerman, hereby acknowledge that I have read and reviewed the settlement proposal set forth in the above letter. I acknowledge the conduct which has been charged. I am aware that by signing this acknowledgment, I am waiving any rights I may have to defend myself against any charges of wrongdoing at an administrative hearing. I am also aware that the action taken against me by the Board herein is a matter of public record, and that this letter is a public document. I hereby agree to comply with the directives noted herein. I will submit to the Board:

1. Payment of a penalty in the amount of \$4,000.00.
2. Assurance that I will ensure that each of the dental auxiliaries employed at each practice location that I own or manage are complying with the statutes and regulations governing the practice of dentistry in New Jersey.
3. A current copy of my office manual which delineates the duties of my employees, including dentists, hygienists and office staff.
